

# ADD VALUE TO YOUR CONFERENCE WITH AN ABSTRACT DATABASE

The SLK Abstract Database is designed and developed to allow you to mobilize abstracts to your conference delegates and/or showcase the library on your website to create web traffic.

## CONTACT US FOR A FREE DEMO

## FEATURES

- ✓ Available to your audience online or offline
- ✓ Ability to custom brand the platform
- ✓ Works with popular manuscript platforms
- ✓ Generate sponsorship revenue
- ✓ Extensive search function
- ✓ Easily embed on your website
- ✓ Income potential with paid access
- ✓ Ability to have multiple years in the library
- ✓ Provides value to membership
- ✓ Multi-language support

## EASY TO CREATE

Simply export the data and email it to us! We can work with any abstract export from popular manuscript systems such as Clarivate Analytics (ScholarOne).

Our system is developed using HTML5 making it fully responsive and viewable on any device.

We will provide a full analysis of your abstract needs and offer the most effective and affordable solution. Contact us today to set up your demo by emailing [info@slkitsolutions.com](mailto:info@slkitsolutions.com) or calling 416-417-1759.

Ensure your branding is maximized with the SLK Abstract Database!
